

Universal-Cutterhead Euro Catalog

with Profile knife / Deflector

UFC 2023

WHY STEHLE

Stehle - Reliable

For over 100 years Stehle has delivered worldwide, to both consumers and the commercial market technically precise machine tools. Stehle is known for its high precision and economical cutter heads for processing of solid wood.

Stehle - a quality product with a clear market vision

Optimal price-performance. A high-quality tool.

Behind the Stehle brand lies a worldwide professional sales and production network.

Stehle - the optimal partner for trade

We have many items in stock for you and your customers.

In addition, many tools which are not in the catalogue are often available from stock.

Or can be manufactured to your specific requirements

Stehle - continually strives to improve

Quality and safety remain the top priority for the Stehle group and through ISO certification and product improvement this will always be ensured.

Stehle - a good and extensive program

With circular saw blades, router cutters, finger joint cutters, reversible knife cutters, drills,

CNC tooling, diamond and hand tools, we have a very comprehensive product range.

Our production methods, and knowledge are maintained at the highest level due to our extensive training programs.

We are always at your service for any questions that may arise!

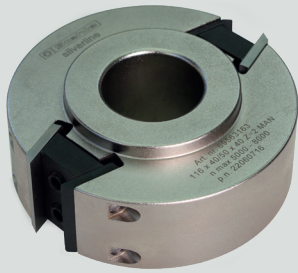

Your Stehle-Team

TABLE OF CONTENTS

Universal Cutterheads Euro		Page
Standard version in steel (MAN)		4
Standard version in steel (MAN) including knives delivered as sets		5
Profil knives 40 mm width		
Folding knives	16/20/24 x 4 mm	6
